## La Linea Mencia 2018

Posted on 24 June 2019.

From Lenswood in the Adelaide Hills.

Wow. This is tip-top for dinking. It's distinctive, individual, tannic and imposing, and yet it's straight-out delicious as well. Highly drinkable but with attitude. Iron, berries, graphite and fragrant dry herbs. Tart in a good way, juicy and alive. Did I mention tannin? It's got plenty. It's struck with it. And it makes it work. The guns are ablaze here.
